The League organiser is quite 'chuffed'..... Looking at the League Tables before the start of the final week's fixtures, you may have noticed the final fixtures in both divisions were 1st v 2nd, 3rd v 4th and 5th v 6th. How's that for planning!! All final positions therefore depended on the last week's results. Kelly Skeggs shock win over Neil Charles was critical in Division 1, his one and only defeat at NETTS all season. Roll on next season!
