Many thanks to all team captains who have made this an easy competition to administer. We hope you all enjoyed the competition format, which we intend to duplicate next year.

The League organiser is quite 'chuffed'.....

Looking at the League Tables after week 4, before the start of the final week's fixtures you will notice that in both divisions the final fixtures in both divisions were 1st v 2nd, 3rd v 4th and 5th v 6th. How's that for planning!!

So all positions depended on the last week's results. Kelly's win over Neil was critical his first defeat at Netts all season
