

NETTS 2021 SUMMER LEAGUE COMPETITION

July saw the completion of the NETTS Table Tennis Summer League based at the Earls Colne Recreation Centre

After a one year break due to Covid quality teams from the Ipswich, Colchester and Chelmsford areas joined teams from the host club for this league competition.

Early results saw reigning champions **NETTS 'Nobby's Dancing'** take an early lead with the attacking styles of returning player Michael Andrews and Club Coach, Paul Davison. The young team from Colchester's **'TOLLGATE'** featuring Liam Harris and Toby McClewin showed their potential with a number of early excellent performances. **'THE YOUNG ONES'**, another team from Colchester featuring father and son, Gary and Daniel Young played most of the top ranked teams early but showed their quality finishing a commendable third. One of the matches in the last round featured two teams containing players in their senior years. **'OLD CODGERS'** and **'LOKI'S WARRIORS'** from NETTS and Ipswich respectively have provided games with the emphasis on spin with less topspin and speed. A win in this season's last round for **LOKI'S WARRIORS** left **'OLD CODGERS'** with the wooden spoon. The last round also saw the predicted championship game between **'NOBBY'S DANCING'** and **'THE GREY POUND'** from XXXXXX. This produced one of the most competitive games of the competition with Davison and Andrew's all out attacking top-spin style taking a 11-9 win against the experienced top players of Trevor Lloyd and John Poysden.

The Top 8 averages for this season based on playing a minimum of 20 legs – P Davison (85%), M Andrews (78%), J Poysden (77%), T Lloyd (73%), G Young (65%), L Harris & D Young (50%), T McClewin (45%)
